## SOCO Pack ATS - tape

Case erector with integrated bottom sealing.

The SOCO Pack ATS is a high speed, fully automatic case erector with integrated bottom tape sealer. The machine is easy to operate and adjust for different case sizes by simply turning a handle. Its compact design allows easy installation into a new or existing production line.

The SOCO Pack ATS is the perfect start of the packaging line.

## The SOCO SYSTEM

### From case erecting to pallet securing

The SOCO SYSTEM product range handles cases, plastic crates, trays, pallets, and many of your products.

The SOCO SYSTEM product range is designed to increase efficiency and eliminate physically strenuous work functions.

#### One system – one supplier

There are many advantages of full product compatibility; less paperwork and no time wasted in adapting products from different suppliers.

#### Meet your future requirements

Add modules and functionality, relocate modules, or whatever fits your future needs.

Call us, mail us, or visit us at [www.socosystem.com](http://www.socosystem.com)
