

Book Covering Jackets

Part Number: 02.1002

Our Standard sized Book covers are designed to allow for quick and easy covering of the majority of books. They will work for Standard Sized hard cover books and most textbooks and reference books.

The CoLibri System is an innovative internationally patented book protection system. With CoLibri, you can quickly and easily apply a special transparent, custom fitted durable and protective covering to your books. In just 20 seconds.

Using the Standard Covers and the Colibri Pocket Machine (01.1001) you can easily protect books up to 12 5/8" Tall x 9 11/16" (Combined spine thickness and width of covers must be less than 19 3/8").

The Colibri System can save you time and money!
