UCHIDA YOKO GLOBAL LIMITED

U-Coater

Dry Coat

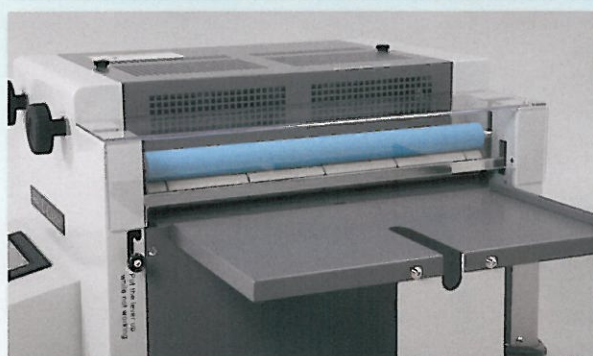

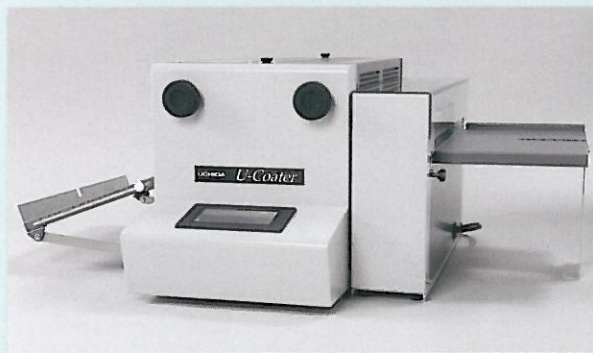

Full-page coating by unique film. This gives printed sheet a wonderful looking.

Image Coat

Spot Coating by new technology film just on toner. The toner on paper is burnished and keeping the paper texture.

Gold Foil

U-Coater makes it possible with gold foil on toner. Added value comes true.

Main Feature

- No trimming required.
- The coating has less odor.
- No messy cleaning.
- Easy to fold.
- Small footprint.
- Eco friendly.
- Prevent water spots.
- Cost Effective.
