- SIDE OR VERTICAL SEALING
- ACCESSORIES

Case sealers for uniform case sizes

T-100 motorized hand dispenser - Top and bottom closure

The features of the T-100 series are compact construction, low price, small shipping cases, and simple handling in retail distribution.

All vital parts, such as dispensers, belt drives and top assembly, boast the well known SOCO SYSTEM top quality.

Basic Models

T-100 Mini and T-100. (see table)

The T-100 is available with an electro-zinc or a stainless steel finish. In the stainless steel version, all external parts, excl. gears, motors, and aluminium parts, are made of stainless steel. The machine is easy to clean and resistant to damp and moisture.

- Easy to adjust for different case sizes.
- Easy tape and dispenser replacement.
- Easy to maintain with low maintenance and spare parts costs.
- Electro-galvanised steel.

The SOCO SYSTEM

From case erecting to pallet securing

The SOCO SYSTEM product range handles cases, plastic crates, trays, pallets, and many of your products.

The SOCO SYSTEM product range is designed to increase efficiency and eliminate physically strenuous work functions.

One system – one supplier

There are many advantages of full product compatibility; less paperwork and no time wasted in adapting products from different suppliers.

Meet your future requirements

Add modules and functionality, relocate modules, or whatever fits your future needs.
