

## TW100 - WIPE ON LABELLING

TW100 is a complete solution for box labelling. The system can manage high-speed side-labelling at up to 35 boxes per minute. It's ideal when you have high trough-put and well orientated (short distance) boxes!

The TW100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come - even in the most harsh industrial environments!

*Printer and applicator  
in right hand version*

*Box and parcel  
labelling. Applies  
on moving products!*

*Handheld  
terminal  
TG300  
(optional)*

*Printer Control Unit PCU III*
