

Tamp

All-round Labelling

MECTEC's standard Tamp units are flexible multi-purpose Print & Apply solutions, suiting a wide range of applications within box- and product labelling.

The solutions have the reliable, robust and easy to use design as seen on all MECTEC solutions. It is proven to give you reliable labelling for many years to come, even in the most harsh industrial environments.

- Side, front, top or bottom labelling
- Labelling moving or stationary products
- Industrial robust design
- Easy and fast maintenance
- Right and left hand version
- Precision & High speed

Print technologies:	Thermal transfer, Direct thermal or Non-Printing
Print resolutions:	8 or 12 dots/mm (200/300dpi)
Print speeds:	Up to 300 mm/s
Label sizes:	Up to 150 x 210 mm
Distance to product:	Up to 560 mm
Pneumatics:	6 bar compressed air
Communication interface:	2 x RS232, 1 x USB 2.0, Ethernet (optional) 31 inputs (PNP), 21 (NPN) + 10 (relay) outputs
User interface:	Graphical display with 25 languages
Overall Dimensions:	668 x 516 x 243 mm (P&A min) 668 x 858 x 314 mm (P&A max) 406 x 278 x 129 mm (Controller)

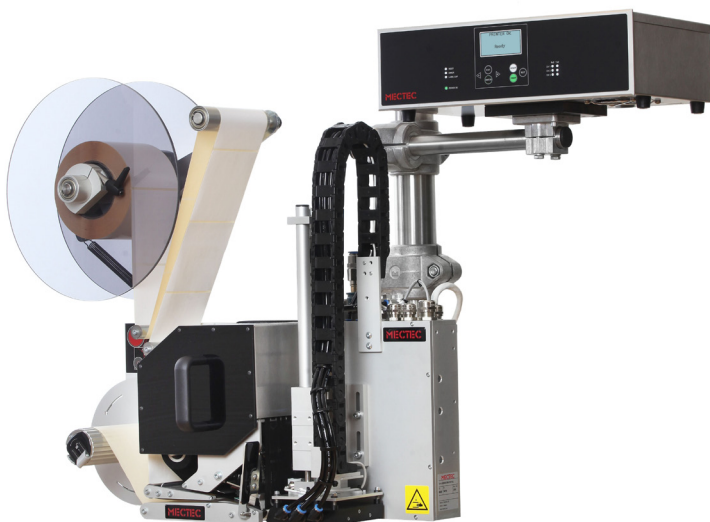

The art of applying a label

Your Print & Apply solution is only as good as the equipment you choose, together with the people who develop it, install it and provide the service and support.

During our many years of providing Print & Apply solutions around the world, we have learned that no two production flows are the same. That is why we have developed a wide range of flexible standard Tamp solutions, meeting the high demands of our customers.

By using our extensive experience and highly skilled engineers we can also offer customized Tamp solutions for each industry's specific needs. Industries such as:

- Bakery
- Chemicals & Plastics
- Electronics
- Engineering
- Food & Beverage
- Logistics
- Packaging
- Pharmaceuticals
- Pulp & Paper
- Timber & Wood

Above you see a standard Tamp solution, TT100. Please contact your MECTEC representative, who will be happy to tell you more about this solution and all other possibilities you have as a MECTEC customer.

Labelling packages at Brämhults

At Brämhults AB, known for its fresh and high quality juices, MECTEC solutions ensure that the identification and traceability of the products are of equal quality.
